January 2025

Dear families,

## World Down Syndrome Day

On Friday, 21st March 2025, we will be celebrating World Down Syndrome Day. To make this day extra special for our academies, we're having a 'SUPERHERO DAY'!

This day will be all about celebrating everyone's unique superpowers, what makes us different, and how amazing it is to be who we are.

Everyone, both pupils and staff, are invited to DRESS UP as their own version of a superhero!

We will also have a special assembly to celebrate all the things that make each of us special and how we are all superheroes in our own way.

We can't wait to see your creative superhero costumes and celebrate what makes us all unique.

Kind regards,

Miss Ball
