Dear Parents and Carers,

## Relationships and Sex Education Programme

As a part of your child's education at Co-op Academy Woodslee, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, during the summer term, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. I have attached the Long Term plan for each year group to this letter so that you are fully informed what content will be taught. Pupils will also have opportunities to ask questions. I have also attached the Relationships and Sex Education Policy and welcome your feedback via our school office - woodslee@coopacademies.co.uk.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website for more detail about our PSHE curriculum. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values.

Should you wish to view the materials and resources being used in lessons and understand how you can best support your child to discuss these topics at home, please let the school office know and we will send home a copy.

As a school community, we are committed to working in partnership with parents; if you would like to find out more or discuss any concerns please make an appointment with your child's class teacher.

Best wishes

Miss L Tappin

PSHE Lead
