Dear Parent/Carer,

Timings For Dismissal

I am writing to remind all families about the importance of picking up children at the times provided to ensure the safety of all pupils. Recently, we've noticed an increasing number of adults arriving earlier than scheduled without a prior agreement, which can disrupt the daily routine and activities for the children.

We are completely supportive of the occasional need for flexibility and are happy to accommodate when required. If your child does need to be collected at an earlier time, please phone the school office to organise your pick up time.

The timings are:

Foundation Stage 1 and 2: 3.15pm

Years 1 and 2: 3.20pm

Years 3, 4, 5 and 6: 3.30pm

We appreciate your understanding and cooperation.

Thank you for your continued support. If you have any questions, please let us know.

Kind regards,

Julia Haggett
